To Whom It May Concern

I came to know Mr. Abraham Kindie Ferede my student at Debre Markos University with the department of software engineering. As an Assistant Professor in the Department of Software Engineering at Debre Markos University, I had the chance of teaching Abraham in my Software Project Management course and observing his outstanding performance firsthand. Abraham excelled in Project Management, demonstrating a solid grasp of both theoretical concepts and practical applications. His analytical skills and ability to manage complex tasks were evident in his coursework, where he consistently produced high-quality work. Abraham's performance in the course was exemplary, and he earned one of the highest grades in the class.

One of Abraham's most impressive qualities is his ability to apply project management principles effectively in real-world scenarios. His final project, in particular, showcased his skills in planning, execution, and monitoring of project activities. Abraham's ability to identify risks, develop mitigation strategies, and ensure the timely completion of project milestones was commendable. In addition to his technical skills, Abraham displayed exceptional teamwork and leadership abilities. He often took on leadership roles in group projects, where he effectively coordinated team efforts, communicated clearly with peers, and ensured that project objectives were met.

I am confident that Abraham Kindie will excel in any scholarship program, job role, internship he pursues. His combination of technical expertise, project management skills, and collaborative nature make him an outstanding candidate. I fully support his application and believe he will be a valuable asset to your program or organization.

If you require any further information or wish to discuss Abraham's qualifications in more detail, please do not hesitate to contact me.

Sincerely,

Lijalem Megibaru Eneyew (Assistant Professor in Software Engineering)

To Whom It May Concern

It is my pleasure to offer my unreserved recommendation for my student, Abraham Kindie. I have known Abraham for the past Five years, as his instructor in different courses. While teaching courses, I understood that Abraham has the potential to demonstrate a solid grasp of both theoretical concepts and practical applications. His analytical skills and ability to manage complex tasks were evident in his coursework, where he consistently produced high-quality work. Abraham's performance in the courses was exemplary, and he earned one of the highest grades in the class.

One of Abraham's most impressive qualities is his ability to apply principles effectively to solve real-world problems. His final project, in particular, showcased his skills in planning, execution, and monitoring of project activities. Abraham's ability to identify risks, develop mitigation strategies, and ensure the timely completion of project milestones was commendable. In addition to his technical skills, Abraham displayed exceptional teamwork and leadership abilities. He often took on leadership roles in group projects, where he effectively coordinated team efforts, communicated clearly with peers, and ensured that project objectives were met.

I am confident that Abraham Kindie will excel in any scholarship program, job role, internship he pursues. His combination of technical expertise, project management skills, and collaborative nature make him an outstanding candidate. I fully support his application and believe he will be a valuable asset to your program or organization.

If you require any further information or wish to discuss Abraham's qualifications in more detail, please do not hesitate to contact me.

To Whom It May Concern

I am writing to recommend Abraham Kindie for any scholarship, job opportunity and internship. I had the pleasure of serving as Abraham's advisor for his final year project at Debre Markos University, where he completed his project with a Grade of the project A- (81). Abraham's project, titled Task and Project Management for Debre Markos University was an ambitious endeavor that required a deep understanding of both theoretical concepts and practical applications.

One of Abraham's most impressive qualities is his ability to approach complex problems with a clear, logical mindset. He meticulously planned each phase of the project, ensuring that all objectives were met on time and to a high standard. His technical proficiency was evident in the innovative solutions he developed, which addressed the project's challenges effectively. He was dedicated to producing high-quality work, often going beyond the minimum requirements to ensure that the project not only met but exceeded expectations. He effectively communicated his ideas and progress with team members and stakeholders, fostering a productive and cooperative working environment.

I am confident that Abraham Kindie will excel in any scholarship program, job role and internship he pursues. His combination of technical expertise, dedication, and collaborative spirit makes him an outstanding candidate. I fully support his application and believe he will be a valuable asset to your program or organization.

If you require any further information or wish to discuss Abraham's qualifications in more detail, please do not hesitate to contact me.

Subject: Recommendation Letter

It is my pleasure to offer my unreserved recommendation for my student, **Abraham Kinidie Ferede**. I came to know **Abraham** as a department head of Software Engineering and his instructor for the undergraduate course Software Requirements Engineering. **Abraham** is an enthusiastic and progressive young man with extremely high potential. He always demonstrated responsibility, hard work, teamwork and strong passion. He is quick at learning and good at solving complicated problems but also has a logical and creative mind that enables him to raise some insightful views. I was deeply impressed with his diligence and outstanding communication ability. What's more, he is an optimistic man with a pleasant personality and gets along well with all the people around him. I hope he can further broaden his vision and accumulate research and programming experience to get him more fruitful.

In addition to having firsthand knowledge of **Abraham's** work ethic and abilities, I am also familiar with his education and career goals and know just how much receiving this opportunity means to him. I cannot think of anyone more deserving and I wholeheartedly support his application.

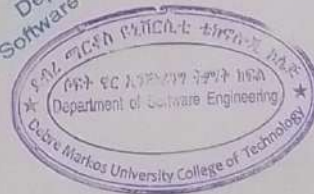

I am confident that you will be just as impressed with **Abraham** as I am. Therefore, wishing him all the best, I assure you that he is one of the most commendable individuals and can bear any professional responsibility or further study, and I urge you to consider him for this award.

Please feel free to contact me if I can provide any additional information.

Yours Sincerely

Yayehudar Tamene Bahiru, MSc.

Subject: English Proficiency Certificate

Mr **Abraham Kinidie Ferede** with IDNO NSR/2048/12 was a regular Undergraduate student in the Department of Software Engineering from 2020-2024 at Debre Markos University, Debre Markos, Ethiopia.

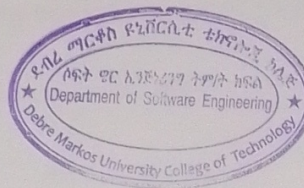

It is my pleasure to certify that the medium of instruction and examination I.e., all class lectures, oral and written examinations, Quizzes, Seminars and all other extracurricular activities are conducted in English at this University. While studying at this University Mr. **Abraham** has been examined and found to have adequate written and verbal English knowledge. I believe he should have no language difficulty in pursuing postgraduate studies at an institution where the medium of instruction is English.

Given the aforementioned facts, it is highly recommended that Mr **Abraham** meet any eligibility criteria for English proficiency set forth by any institution or organization.

Yours Sincerely
